THE SUN IS SHINING DOWN ON THE FLOOR IN THE KITCHEN.

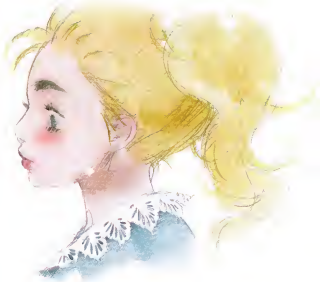

FROM ACROSS THE LIVING ROOM, I CAN SEE PAPA'S TALL AND SINCERE BACK.

AND I HEAR THE GENTLE SOUNDS OF COOKING MEAT, AND SMELL THE SWEET SCENT OF RIBS.

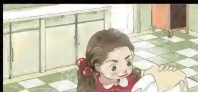

Chapter 1

Autumn in the Cold

This
is super
delicious,
papa!

Meat sauce
with baked
potatoes is the
most yummy
thing ever!

*THE YIHA, MEANS "FIRST FLOWER".

ALL MY MEMORIES OF PAPA ARE LIKE THAT, COMFORTING AND CALMING.

JUST LIKE THE AIR, PAPA WILL ALWAYS BE BY MY SIDE.

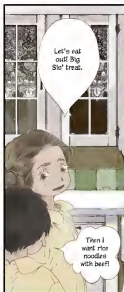

THAT FIRM BELIEF CRUMBLED AWAY WITHIN A SINGLE NIGHT.

IN ORDER TO CELEBRATE THE ARRIVAL OF SPRING, PAPA WENT TO A NEARBY CONVENIENCE STORE TO BUY ICE-CREAM.

ON THE WAY HE GOT INTO A TRAFFIC ACCIDENT.

THE AIR LEFT US.

Then I wouldn't have to cry a lifetime's worth of tears.

Mama.

Do you want to eat fried rice? It's still warm.

Just leave it.

Mama...

What?

Don't smoke, it's not good for the baby...

Not
good for
the baby?
Don't be
stupid.

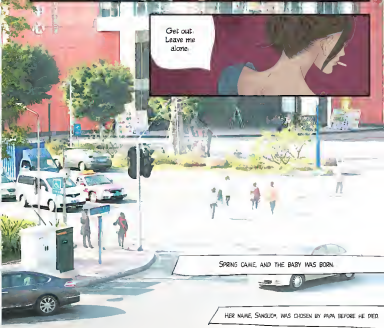

It doesn't
even matter if
I miscarry.

The one who
loves this child
the most is
already dead.

Get out.
Leave me
alone.

SPRING CAME, AND THE BABY WAS BORN.

HER NAME, SANGUO, WAS CHOSEN BY PAPA BEFORE HE DIED.

SHE WAS BORN PREMATURELY SO
HER BODY WAS WEAK - WEIGHING ONLY A
LITTLE OVER A KILOGRAM. SHE DEVELOPED
PNEUMONIA, AND ENDED UP IN AN
INCUBATOR SOON AFTER BIRTH.

MOTHER DON'T EVEN COME
ONCE TO SEE THE BABY

SHE HID IN A CORNER OF THE COURTYARD

SMOKING HEAVILY

What
a cute
baby.

Here, let
mama
carry you.

.....

Mrs.
Qin?

Yihua, do you want to hold your little sister?

SOMETHING HAD BEEN KEEPING ME FROM THINKING IT, BUT THE THOUGHT COULD NO LONGER BE STOPPED.

WHY COULDN'T THE ONE WHO DIED...

Mama?

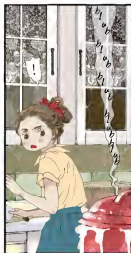

...HAVE SEEN MAMA?

Ouch!

I cut my finger.

WAAAAAAAAAAAAAAAAAAAAAAAAAAAA

THE BOY LOOKED TO BE THE SAME AGE AS ME.

HE LOOKED VERY FAMILIAR, BUT I COULD NOT REMEMBER WHEN WE HAD MET.

*TN: A type of fungus that is black, thus often called 'Black Fungus' in East Asian regions.

Smells delicious!

Big sis,
what did
you make?

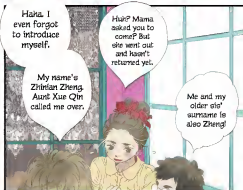

A big mix of
stir-fried leftovers.
It's fresh out of the
wok. Take a seat.

Big Sis,
who's this
person?

Uhm...

Haha. I
even forgot
to introduce
myself.

My name's
Zhintian Zheng.
Aunt Xue Qin
called me over.

Huh? Mama
asked you to
come? But
she went out
and hasn't
returned yet.

Me and my
older sis'
surname is
also Zheng!

Let's eat first.
We can wait
while we eat.

Let's eat!

Your
father
had a
child...

AH, NO WONDER HE LOOKED FAMILIAR.

with
another
woman.

BECAUSE HE LOOKED A BIT LIKE PAPA, I
INSTANTLY FELT A LITTLE BIT CLOSE TO HIM.

DESPITE EVERYTHING, I SIMPLY COULD
NOT TAKE MY MOTHER'S SIDE.

A DAUGHTER LIKE ME IS REALLY THE WORST.
